Dear Ann:

Thank you very much for your letter of June 2nd. Your new position with the Archives for the Performing Arts sounds like a fascinating one.

My hunch is that Senator Pell would be happy to support any application you should make to the National Endowment for the Humanities. He prefers to write to the Chairman after the proposal has actually been submitted.

I appreciate having the materials on the Archives and am looking forward to talking with you further about the organization when you come to Washington.

Sincerely,

Alexander D. Crary
